2018-2019 School Directories are ready to pick up in the office!! If you haven't picked up your school calendar, you may get them both at the same time! I have already found 2 names that are not in the parent listing. Now I know what Linda Corbit was talking about when she told me that items were entered and just disappeared! I check carefully between my Renweb list and the directory, both of the families were there. Now they aren't! I apologize to the Ramirez and Selby family. You can find them in Renweb under directory; a phone number can be found under the student list on page 7.

RENWEB CHANGES: Renweb will be switching to the Facts Management website over the weekend. When you check in next week, it will re-direct you to the new site. Please read the attached letter from them.

ALL VOLUNTEER DRIVERS: We need a copy of your insurance card that you keep in your car. Either email to bmuth@mypaa.net or bring it in for me to make a copy. You **MUST** do this before you drive on a field trip. Thank you!!

Feel free to welcome them to town with friendship, love and appreciation!
