Community Service Form

Name _____ **Grade** _____ **Date Submitted** _____
Type of Activity _____ **Date(s) of Activity** _____
Name of Organization _____ **Hours & Minutes Involved** _____

Step 1: Is this a school, church, or official volunteer program? If so, you do not need pre-approval—go to step 3. If this is not a school, church, or official volunteer program, go to Step 2.

Step 2: For activities that are not school/church sponsored or that are not affiliated with an organization's formal volunteer program, you need pre-approval to ensure you will earn community service hours for your participation. If you do not get pre-approval, your work may not be counted toward your required community service hours. **Please fill out the following information and submit it to the school office for approval.** Once you receive approval, you may begin your service activity and then complete Step 3.

- Describe the activity. What will you be doing, and how long do you estimate you will be working?
- Who will be supervising this activity or authorizing that you've completed it? _____
- How does this activity serve others/the community? How is it considered community service?
